We haven't changed.
Our generation is no different than our parents'.
We're not out to "do them in" or blow up the world.
Our morals aren't corrupted and we're not going to "the dogs."
We're out to live our lives the best we can.
We're no better than those who came before us,
and we won't be any better or worse than those
who came after us.
Accept us for what we are and not for what we should be.
All we ask is a chance.

I watch others silently as days, weeks, years pass by; separated from them by my unique thoughts and experiences.

They come expecting to grow in wisdom as well as stature.

I wonder . . . will four short years prepare them?

I see them in constant battles and campaigns, but do they know what they're fighting for?

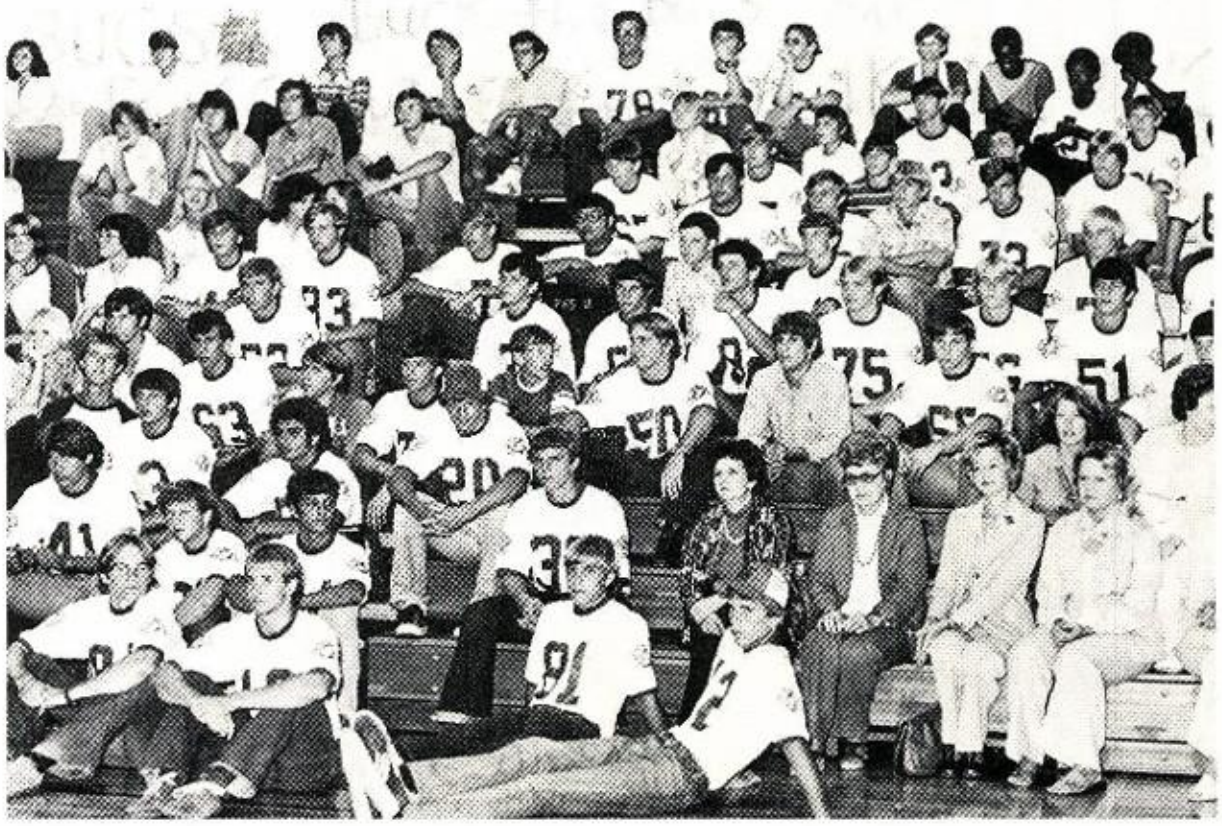
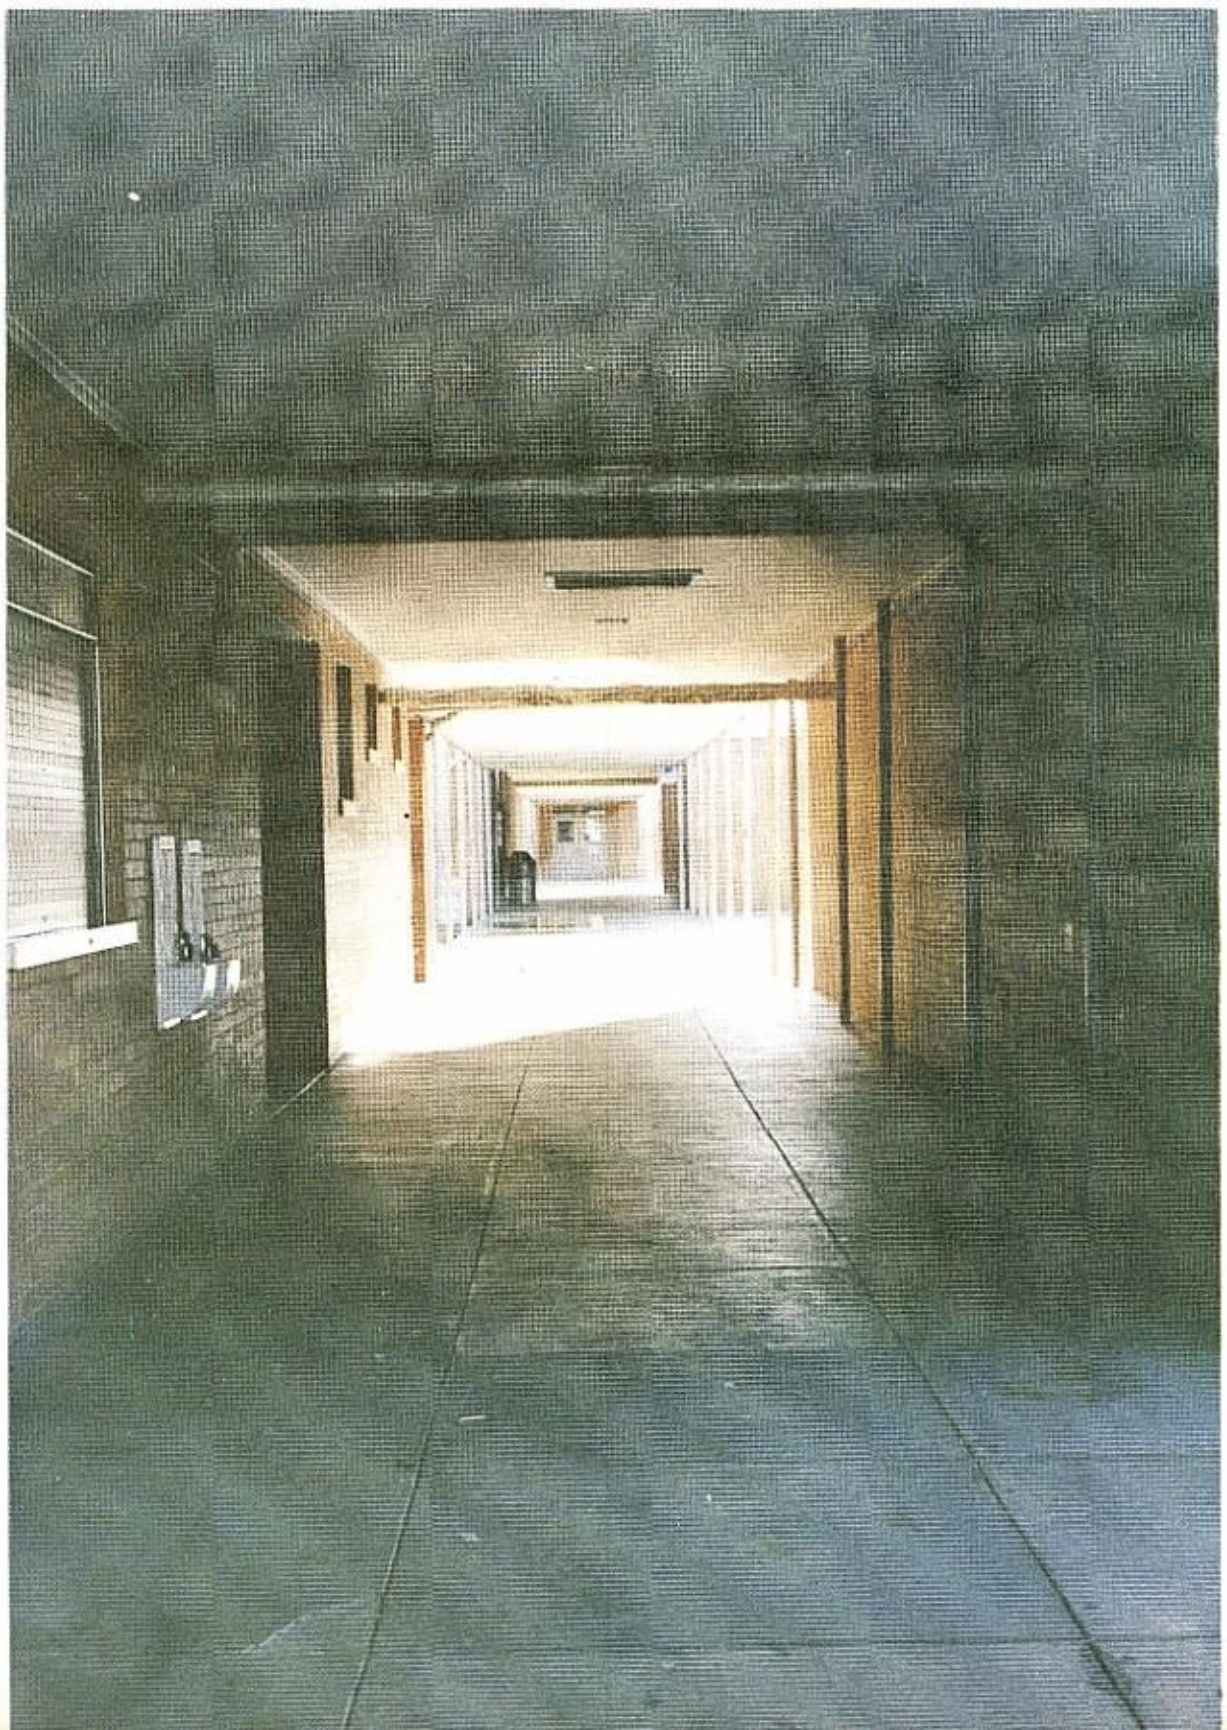
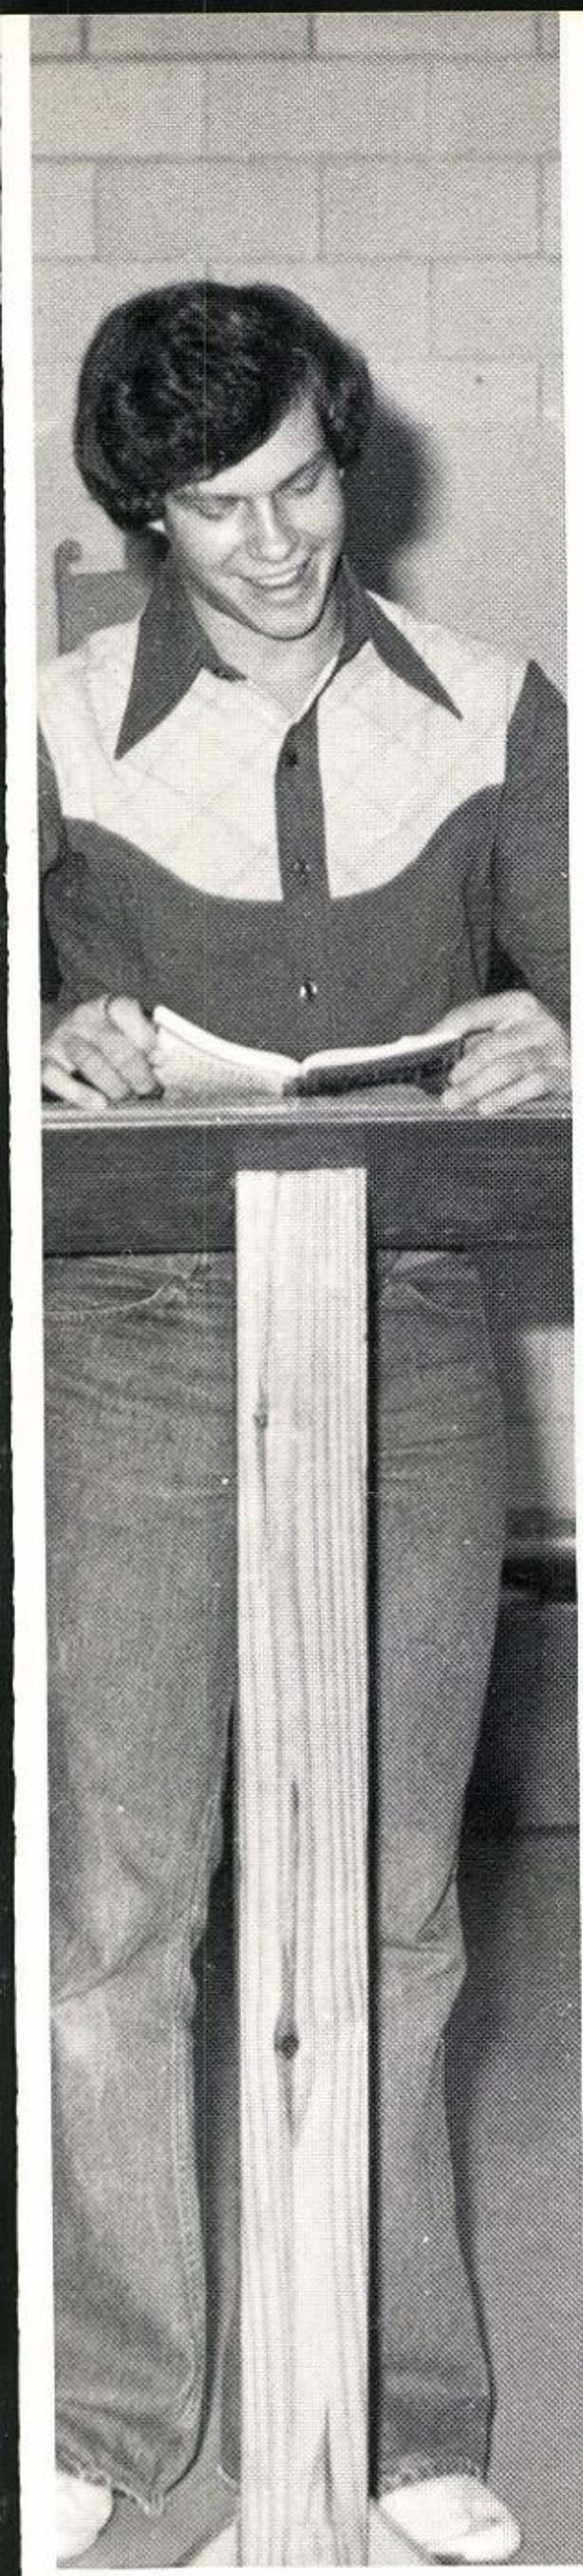
They stare at empty pages, listen to hollow words and try to find themselves.



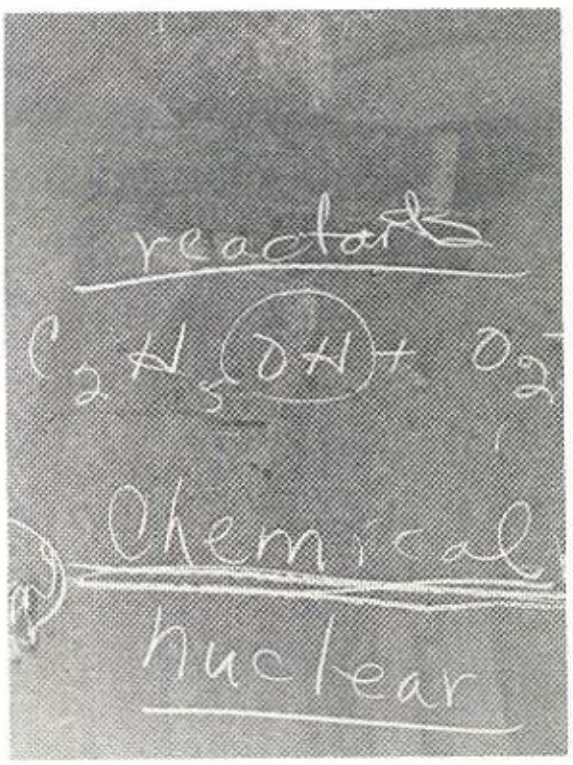
In the sterile security of maze-like rooms and halls they grope and struggle.



They sit in a vacuum and look out into the unfamiliar world.



They live and work, hear, speak, touch, see, and sense in their own little world of blackboards and textbooks.



Yet, in the back of their minds is the knowledge that someday, they too will be forced out into the world which they now only observe.

HONORS

Who's Who

The faculty is proud to announce the selection of eleven seniors to the 1977 Who's Who of Parkway High School.

These seniors were selected on the basis of character, leadership, and service to the school.

Especially taken into consideration was the initiative shown by these students to perform services beyond that which was required of them.

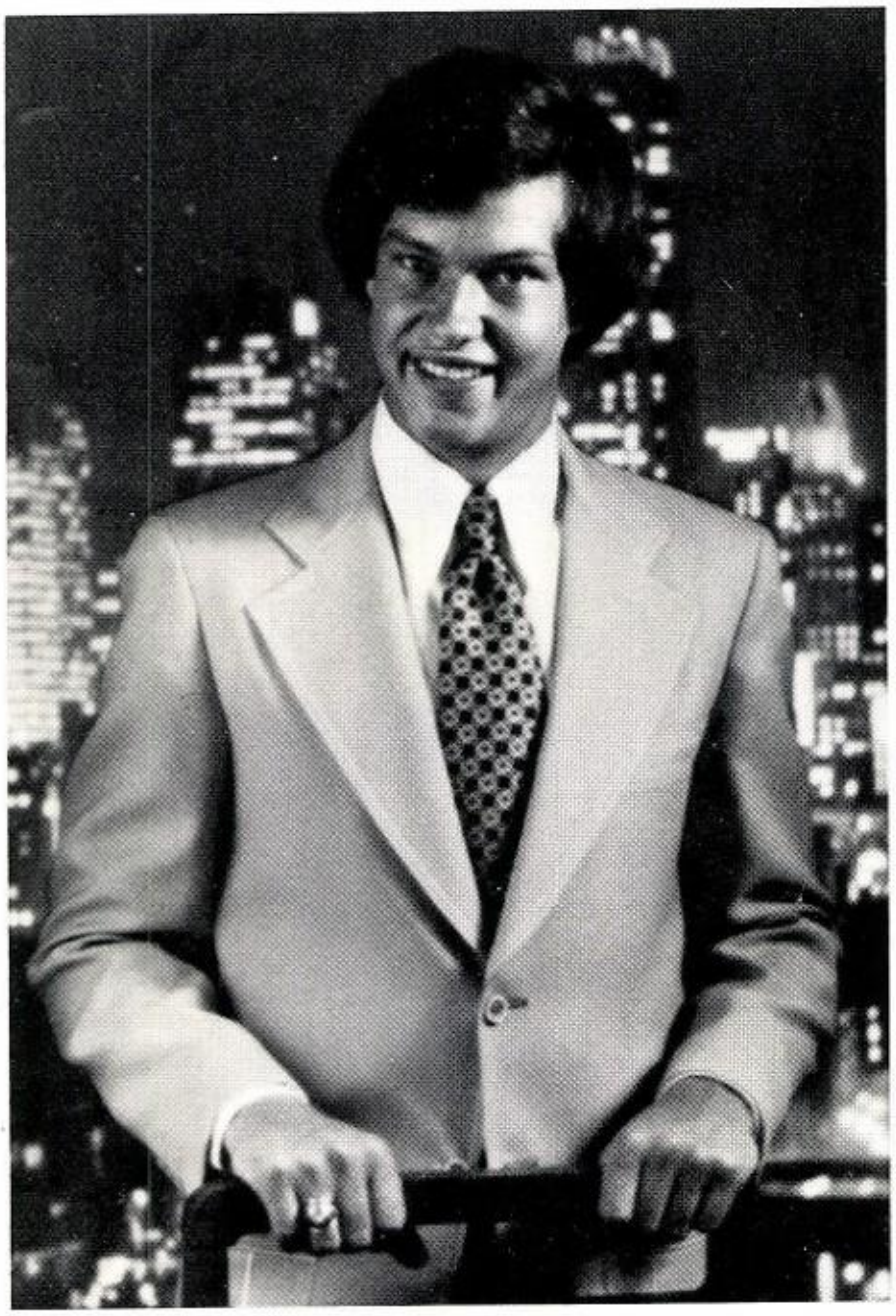
Mr. and Miss Parkway

Laverne Simoneaux

Selected as this year's Miss P.H.S. was Laverne Simoneaux. Her spirit and enthusiasm shows in all that she does. Laverne was in Pep Squad her freshman year and chosen as Pep Squad Secretary her Sophomore year. The student body elected Laverne a cheerleader her junior year and head cheerleader her senior year.

Laverne is a four year member of the Y-Teens. As a junior she served as Y-Teen service chairman and as a Mid-South delegate. Laverne was selected as Y-Teens Mid-South delegate, La. State Hostess, and nominated as a Mid-South Y-Teen officer.

Laverne was also a member of the Student Council, French Club, CODAC, and elected as Sophomore Class Secretary. Laverne has also proven herself worthy of being selected to Who's Who and Superbia Pardi Salutes.



Mark Chavis

Mark Chavis, chosen to the title of Mr. P.H.S., has taken part in many student activities at Parkway. As a freshman, Mark was in band and served as a member of the Yearbook Ad Staff. In his sophomore year, he was in the band, served as the Sophomore Director of the Key Club, and was chosen Yearbook Business Manager.

Mark has been a member of the sophomore and junior councils and was elected to the Senior Senate. He was a Student Council representative his sophomore year, Vice-President of the Student Council his junior year, and finally in his senior year he was elected Student Council President.

Mark was also very active in the band where he was a member of both the Bossier City All-City Band and the La. All-Star Marching BAnd. He received many other honors in his years at Parkway. He was selected to NHS his junior year and served as both a La. Youth Seminar delegate and a Pelican State delegate. He was chosen as Parkway's Best Citizen and selected to Who's Who and Superbia Pardi Salutes.

NHS.

The National Honor Society is an organization that strives to create an enthusiasm for scholarship, stimulates a desire to render service, promotes leadership, and develops character. All these qualities are evident in each of its members. New members are chosen each spring and participate in a "tapping" ceremony during the assembly at school. Also, an evening formal induction ceremony is held for the members and their families.

This year's NHS project for the school was the organization of a new student handbook. A lot of hard work went into this, and it was a big success.

These students are a great asset to Parkway and are truly the "cream of the crop."

Panther's Print

Through long hours of hard work the "Panther's Print" staff has strived to publish one of the best newspapers Parkway has seen in the history of our school.

The staff has attempted to publish a paper balanced by coverage of sports, features, editorials, and news. In each of these categories we have worked to present local and national topics that involve and affect the student body, so that they may become a well informed public.

A newsworthy paper is not produced by five people, but by a student body as a whole.

Students:

What an honor it has been for me to serve as Principal of Parkway this year. I feel that Parkway has the finest students that can be found anywhere. This has been evidenced by the attitudes displayed daily on campus. As I have moved about the school, I've been greeted by a friendly smile and hello, a great school spirit, and a positive display of school pride. This has gone a long way in making my first year a most memorable and enjoyable one.

In its few years as a high school, Parkway has established a reputation that is the envy of many in the state. I know that the future holds many good things for us, and I look forward to next year and the years to come.

Five Panthers Named . . .

1976 Lions Jamboree

The Panthers played two 10 minute games at Airline stadium against Bossier and Airline. These were season warm-up games to give the public a preview of the area teams. The Panthers played a stand-still against the Bossier Bearkats as the Panthers could not penetrate the Bearkats defense for a score. The final score was 0-0. The other game was against the Airline Vikings and the Panthers came out on top (7-0). The scoring occurred on a 90-yard Touchdown run on the opening kick-off by David Cotton to give the Panthers a 7-0 lead. The game stayed that way as the Vikings could not break through the Panther defense for a score. The Jamboree serves as a learning game for the participating teams and gives the teams a chance to look at the other teams.

PANTHERS BLANK BUCS (12-0)

Mark Thomas and Jeff Cochran scored both Parkway touchdowns on one-yard runs in the second and fourth periods. Reserve Kevin Cockrell intercepted a halfback pass and returned it to Haughton's 19 with 2:04 left in the opening period to set up the first touchdown. The second TD was set up by Jack Slade's 31-yard sweep from near midfield, which was the first of a series of Parkway sweeps that eventually led to paydirt and finally killed off the Bucs. Coach Gros said Jack Slade, who gained 86 yards rushing in 18 carries "did a heck of a job filling in for Roy Spencer." The Defensive line, nicknamed "The Rednecks," did a fantastic job of containing the speedy Bucs, which were held to a mere 75 yards total offense, and left the score at 12-0.

Panthers "Redneck" Rebels (7-0)

The Panthers touchdown came with 3:45 left in the first half when David Cotton burst open on a post pattern, gathered in King's 46 yard pass at the West Monroe 20 and sprinted untouched into the end zone. Phil Wages booted the extra point to complete the night's scoring. The mighty Panthers outgained the Rebels 267 yards to 144 and never let the visitors get inside the Parkway 20. The defensive line played well and was able to hold the Rebels when they had to. This was the second straight shutout win for the Panthers.

Natchitoches Tips Parkway (14-3)

The Panthers suffered their first loss of the "76" season to the Natchitoches central Chiefs by the score of 14 to 3. The Chiefs were ready for the Panthers as they only let Parkway put a 27-yard field goal on the scoreboard. Natchitoches fought their way through the "Redneck" Panther defense to score their two touchdowns. The first one came early in the first quarter and the second Chiefs touchdown was in the second quarter climaxing a 69-yard drive.

Coach Gros commented after the game, "I think the turf had a little to do with the game's outcome, but it was just that we weren't ready for the game."

Bearkats Slip by Panthers (10-7)

It was close . . . 10-7 and the Bearkats handing Parkway a damaging second straight District 2-AAAA setback, marched 60 yards with the second half kickoff and made their lone touchdown stand up for a Bearkat victory before a near capacity crowd at Bossier Stadium. Parkway led at the half thanks to an 11-yard TD pass from quarterback King to wide receiver David Cotton that climaxed a 58-yard second quarter drive. First half recoveries of Bossier fumbles by 270-pound tackle Ronald D'Water and 185-pound cornerback David Rush helped Parkway hold the Bearkats to their three first half points. One thing that hurt Parkway's chances in the second half was penalties - five for 66 yards. On three of the first four second half possessions the Panthers were hit with a major penalty either on first or second down. Parkway mentor Curtis Gros was bemoaning the Panther's lost first half opportunities following the game. "We burnt a couple of scoring opportunities" he said, pointing to a dropped pass early in the game that had TD written all over it and another one that missed later on the sidelines that was a potential paydirt pitch.

Byrd Trips Parkway (10-6)

The Byrd Yellowjackets, receiving the opening kick-off, drove down 74 yards to the panthers 25 yard line. There, the "Redneck" Defense forced Byrd to settle for a field goal. At that point the score was 3 to 0. Parkway's scoring came on field goals; two second quarter kicks of 26 and 32 yards. The Halftime score was 6 to 3, with the Panthers on top. The The only other scoring came with a 4th quarter 85 yard Yellowjacket drive that ended with a touchdown and 24 seconds left in the game. The final score . . . 10 to 6.

Panthers Snap Slump (17-6)

It was a gloomy night for the Huntington Raiders; rain fell on their Homecoming court and the Parkway Panthers fell on their football team. Parkways offense scored 17 points to break a three-game losing streak and the tough "Rednecks" held the Raiders to one touchdown. Phil Wages kicked a 43-yard field goal in the first quarter to make the score 3-0. Wages, who is Parkway's first field goal kicker, not only broke his own distance record but also broke this year's State record with the kick.

Panthers first TD was a 19-yard touchdown pass to Craig Thomas, the second was a 7-yard run by King. Holder Bob Davis, faked a PAT kick and ran it for a 2-point conversion.

Airline Sinks Parkway (13-6)

The Airline Vikings broke through the "Redneck" Defense for Parkway for two touchdowns to defeat the Panthers 13 to 6. The first Viking touchdown came on a 43-yard pass play early in the game. The extra point failed which made the score 6 to 0 in favor of the Vikings. Parkway came back with 21 seconds left in the half to tie the score: 6 to 6. In the 3rd period, Airline came on with a 24 yard pass for a touchdown to make the final score 13 to 6.

Gators Bite Panthers (25-12)

Parkway grabbed a fast 12-7 lead in the first quarter, but the Panther's defense couldn't hold the Captain Shreve Gators; they rallied to defeat the Panthers in the second half. Parkway's early lead was set up on a kickoff return by fullback Roy Spencer. Spencer took the opening kick back 52 yards to the Shreve 28, and scored five plays later. Cochran drove in from the 17, dragging a Gator eight yards into the end zone. Meanwhile, Shreve was methodically driving for scores, moving 89 yards on its first possession in 6 plays. Each team scored once in the second quarter to boast the score 13-12 with the Gators going into half-time with the lead. The Gators tack up the win in the second half with two TD's to "Bite the Panthers."

Panthers Topple Giants (33-8)

Parkway scored three third-quarter touchdowns to thoroughly defeat the Green Oaks Giants. Jack Slade carried for 41 yards for the Panther and scored two touchdowns for the Panthers.

The first Parkway touchdown came in the second quarter with Phil Wages booting the extra point to make the score 7 to 0. The giants slipped through with a touchdown and two points on a conversion to take a suprising 8 to 7 lead at halftime. The Panthers scored three times in the third quarter and once in the fourth quarter while keeping the Giants scoreless in the second half. The final score was 33 to 8.

The 1975-76 team was a young team with talent. Craig Thomas, Jeff Dahlberg, Roy Spencer and Phil Wages were the four players returning from the previous season with no experienced pitchers.

With hard work, dedication, pride, and alot of discipline, the 13 first year players came in to play together with the four lettermen and a District Champion was made. With a play-off in bi-district, P.H.S. won over 2nd place Fair Park, and to the Regionals at Lake Charles High, where we were halted by too many errors. That will help the next year with poise and determination.

Coaches Clay Harper and Rushing were pleased with the team managers and stats. man, Mark Swan whose record keeping showed 5 All Dist. players, 6 All city, and 5 All Parish players.

Parkway's first year to participate in wrestling competition took place during the 1975-76 season. The panther wrestlers attained an outstanding record in their first year as a team: Season record 10-0, District Champions, and State Champions? (or runner-up State Champions according to the L.H.S.A.A.)

After Parkway won the State Championship, it was revoked because the wrestling committee of the state tournament failed to award the runner-up, who at that time was South Cameron High School, points for a wrestler in the 126 lb. class; which then made the score 173½ P.H.S. and 174½ S.C.H.S.

Consequently, we began to look for extra points in the Panthers favor which had been overlooked by the committee. Several points that should have been given to Parkway were found. The L.H.S.A.A., however, has never reversed a decision. Even when They Were Wrong.

I am Music

I AM MUSIC, most ancient of the arts. ✦ I am more than ancient; I am eternal. ✦ Even before life commenced upon this earth, I was here—in the winds and the waves. ✦ When the first trees and flowers and grasses appeared, I was among them. ✦ And when Man came, I at once became the most delicate, most subtle, and most powerful medium for the expression of Man's emotions. When men were little better than beasts, I influenced them for their good. ✦ In all ages I have inspired men with hope, kindled their love, given a voice to their joys, cheered them on to valorous deeds, and soothed them in times of despair. ✦ I have played a great part in the drama of Life, whose end and purpose is the complete perfection of man's nature. ✦ Through my influence human nature has been uplifted, sweetened and refined. ✦ With the aid of men, I have become a Fine Art. From Tubalcain to Thomas Edison a long line of the brightest minds have devoted themselves to the perfection of instruments through which men may utilize my powers and enjoy my charms. ✦ I have myriads of voices and instruments. I am in the hearts of all men and on their tongues, in all lands and among all peoples; the ignorant and unlettered know me, not less than the rich and learned. ✦ For I speak to all men, in a language that all understand. Even the deaf hear me, if they but listen to the voices of their own souls. ✦ I am the food of love. ✦ I have taught men gentleness and peace; and I have led them onward to heroic deeds. ✦ I comfort the lonely, and I harmonize the discord of crowds. ✦ I am a necessary luxury to all men. ✦ I am MUSIC.

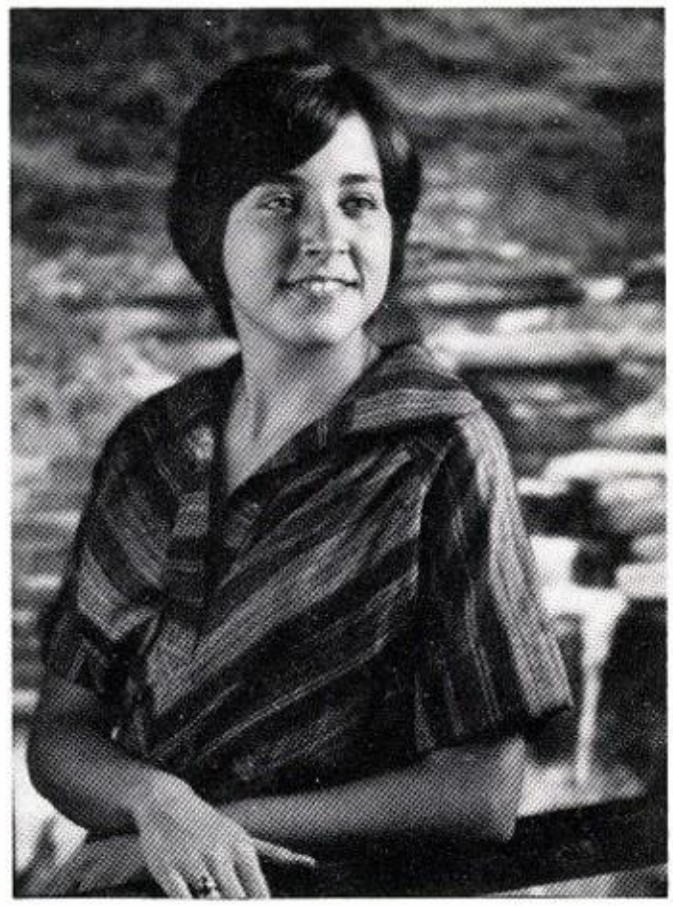
Editor's Comment



Penni Ratté

The long awaited moment is here. A student's voice echoes in the halls, "The Yearbooks are in," and all gather together to preview the book before stampeding back to homeroom and receiving their own. This is followed by an hour of dilligent looking, signing, and socializing.

To the Superbia Pardi Staff, especially the co-editors, this moment is not seeing the book, but seeing the reactions of the students. Do they like it? Did it fulfill its purpose of capturing the whole year in pictures and prose in a clear, simple, but creative style? The suspense builds. Suddenly, the sound of applause fills the gym as the cover is presented. They like it. The main step is over. Following the assembly, comments on the book are heard from all corners of the school. The students are pleased. The co-editors are pleased. The staff is pleased. The moment is over.

But the job is not finished for the staff. Another year is in the future; another book to be created. For the co-editors of the 1977 book, the time has come to pass on the position to new people. To our replacements, we wish all the luck and patience in the world. We will miss the fun, the work, the staff and most of all our advisor Miss Kay Tharp. Without her, the yearbook wouldn't be the same.

We wish to express our sincere thanks to the whole staff, the student body, and the faculty and administration. Largely, we are indebted to those wonderful people at Taylor Publishing Company who are the builders of our plan. We also thank Karen Moore for an excellent job of proofreading, and Mr. Jerry Mott of Monroe, our photographer, for a great job on all of our pictures.

As Senior Co-Editors, we not only bid farewell to the Superbia Pardi, Parkway's "Pride of the Panthers," but to Parkway herself. Goodbye Parkway and thanks for the many wonderful memories.

Cindy and Penni

Mike Tucker,
I'm not sure if you remember me or not because I'm not sure you know it yourself. I'm the guy you have been sitting behind in every class this year (my name is Chris) and I have enjoyed your company very much. I'm not sure if you are the luckiest guy I've ever met or the unluckiest. You are the only person I've ever known to have had a freshman and the next year a senior in your class. I'm sorry I didn't get to know you better this year, but I'm sure we'll run into each other sometime. Have a good summer.

Chris Underwood '71
